

2024-25 TECHNOLOGY INFORMATION:

Every panther cub will receive an iPad (grades PK-5) for the 2024-25 school year. Parents/guardians must acknowledge the Digital Device Student Loan Agreement in The Hub at the start of each school year as part of the “Back to School Packet” in the online records section.

Parents/Guardians are encouraged to purchase optional digital device insurance <https://securranty.com/pwcs> as any damages will be charged to the student’s parent/guardian. The insurance cost is \$29.95, which may be significantly less than repair or replacement costs without insurance.
